DOCTOR WHO: THE INVASION OF TIME & DOCTOR WHO BRED FOR WAR – The Sontarans Box Set

DVD RELEASE DATE 5th MAY 2008

With the Sontarans making an appearance in the fourth series of Doctor Who, BBC DVD is proud to announce the release of a classic story featuring the alien race. **Doctor Who: The Invasion of Time** is available on DVD from 5th May 2008.

Starring Tom Baker as the fourth Doctor and Louise Jameson as his companion Leela, this six-part story finds the Doctor returning to Gallifrey to claim the Presidency of the High Council of Time Lords. Once inducted he begins a systematic purge of Time Lord society, expelling many high ranking officials - and even Leela - to the wastes of Outer Gallifrey. Behaving totally out of character, could it be that the Doctor has succumbed to the dark side?

Extras included on the release are:

- **Commentary** -. With actors Louise Jameson and John Leeson, script editor Anthony Read and visual effects designer Mat Irvine.
- **'Out of Time'** - Artistes and production crew recall the making of this story. With actors Louise Jameson, John Leeson, Chris Tranchell and Milton Johns, script editor Anthony Read, visual effects designer Colin Mapson
- **Deleted Scenes** - Deleted scenes from the film sequences for episodes five and six.
- **The Changing Face of Gallifrey** - A look at how the portrayal of the Time Lords and their home planet of Gallifrey changed over the years. With script editors Terrance Dicks, Anthony Read and Gary Russell, former Doctor Who Magazine editor Alan Barnes.
- **The Elusive David Agnew** - Who is the mysterious David Agnew, the writer of this story? Script editors Terrance Dicks and Anthony Read try to get to the bottom of the mystery
- **CGI Effects**
- **Photo Gallery**
- **Coming Soon** - trail for forthcoming DVD release from 2entertain
- **Easter Egg**
